“(a) SUBMISSION OF PLAN.—Not later than 6 months after the date of the enactment of the Rail Security Act of 2006, Amtrak shall submit to the Chairman of the National Transportation Safety Board, the Secretary of Transportation, and the Secretary of Homeland Security a plan for addressing the needs of the families of passengers involved in any rail passenger accident involving an Amtrak intercity train and resulting in a loss of life.

“(b) CONTENTS OF PLANS.—The plan to be submitted by Amtrak under subsection (a) shall include, at a minimum, the following:

“(1) A process by which Amtrak will maintain and provide to the National Transportation Safety Board and the Secretary of Transportation, immediately upon request, a list (which is based on the best available information at the time of the request) of the names of the passengers aboard the train (whether or not such names have been verified), and will periodically update the list. The plan shall include a procedure, with respect to unreserved trains and passengers not holding reservations on other trains, for Amtrak to use reasonable efforts to ascertain the number and names of passengers aboard a train involved in an accident.

“(2) A plan for creating and publicizing a reliable, toll-free telephone number within 4 hours after such an accident occurs, and for providing staff, to handle calls from the families of the passengers.

“(3) A process for notifying the families of the passengers, before providing any public notice of the names of the passengers, by suitably trained individuals.

“(4) A process for providing the notice described in paragraph (2) to the family of a passenger as soon as Amtrak has verified that the passenger was aboard the train (whether or not the names of all of the passengers have been verified).

“(5) A process by which the family of each passenger will be consulted about the disposition of all remains and personal effects of the passenger within Amtrak's control; that any possession of the passenger within Amtrak's control will be returned to the family unless the possession is needed for the accident investigation or any criminal investigation; and that any unclaimed possession of a passenger within Amtrak's control will be retained by the rail passenger carrier for at least 18 months.

“(6) A process by which the treatment of the families of nonrevenue passengers will be the same as the treatment of the families of revenue passengers.

“(7) An assurance that Amtrak will provide adequate training to its employees and agents to meet the needs of survivors and family members following an accident.

“(c) USE OF INFORMATION.—The National Transportation Safety Board, the Secretary of Transportation, and Amtrak may not release any personal information on a list obtained under subsection (b)(1) but may provide information on the list about a passenger to the family of the passenger to the extent that the Board or Amtrak considers appropriate.

“(d) LIMITATION ON LIABILITY.—Amtrak shall not be liable for damages in any action brought in a Federal or State court arising out of the performance of Amtrak in preparing or providing a passenger list, or in providing information concerning a train reservation, pursuant to a plan submitted by Amtrak under subsection (b), unless such liability was caused by Amtrak's conduct.

“(e) LIMITATION ON STATUTORY CONSTRUCTION.—Nothing in this section may be con-

strued as limiting the actions that Amtrak may take, or the obligations that Amtrak may have, in providing assistance to the families of passengers involved in a rail passenger accident.

“(f) FUNDING.—Out of funds appropriated pursuant to section —217(b) of the Rail Security Act of 2006, there shall be made available to the Secretary of Transportation for the use of Amtrak \$500,000 for fiscal year 2007 to carry out this section.
